

**HISHAM ELSAIED**

EXECUTIVE COACH

# **Global Conversations**

Decode and connect across cultures.

**Traditional communication skills training often falls short because it ignores one key factor: everyone communicates differently!** In today's multicultural workplaces, communication is the biggest hurdle teams face. **This half-day workshop addresses this gap by focusing on cultural differences.** You'll gain a whole new perspective on how to work effectively with people from diverse backgrounds- check testimonials here ([link to the testimonials page](#))

## Objectives:

- **Cultural Values Mapping:** Identify and bridge cultural gaps within the team.
- **Increase CQ Workshop:** Enhance team members' cultural intelligence.

## Agenda:

- **What is cultural intelligence -60 minutes:** let's set the floor, first we need to know what cultural intelligence is and why it is important?
- **Cultural Values Mapping- 90 minutes:** Facilitate a team exercise to identify and understand the diverse cultural values within the team. **Goal:** Increase awareness of cultural differences and foster appreciation for diversity.
- **Increase CQ Workshop- 75 minutes:** An interactive workshop on Cultural Intelligence (CQ). Equip team members with strategies for effective cross-cultural communication and collaboration. **Goal:** Enhance the team's CQ and ability to work effectively with diverse colleagues.

# Workshop Pre-requisite:

Cultural values mapping for all the participants.
